

We make unique, high-volume cabling projects *easier for you.*

TPC Wire & Cable is your single solution for the engineering, supply, and management of custom power cords, cord sets, and cable assemblies required to complete your projects on time and on budget. As a key partner in your domestic and international supply chain, we deliver industry-leading consultative services that drive innovation, create solutions, simplify inventory management, and save money.

Our Promise:

- Personalized attention from a knowledgeable associate within 24 hours of making an inquiry
- Competitive pricing with volume discounts
- Reliable products built to customer specifications without defect
- Efficient fulfillment and delivery of orders

Our Capabilities

- Bulk, coiled, or hanked packaging
- Print/labeling for brand awareness
- Tooling, tinning, and shrink tubing
- Unique connectors for military applications

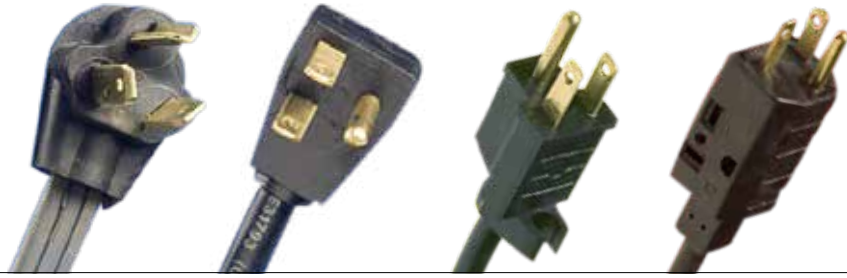

Powering Customer Performance

For nearly 40 years, we have been delivering a truly **unsurpassed** level of personalized service in the market. Based in Cleveland, Ohio, new, improved operations are supported by **114,000 square feet** of warehouse inventory, a **25,000-square-foot** assembly shop, **in-house engineering and supply** teams, and **200** domestic & international employees.

* All TPC Wire & Cable products carry a full range of listings and certifications with UL and CSA Group. Many also meet or exceed the requirements of OSHA, MSHA, and other relevant industry standards.
