

TPC WIRE & CABLE CORP.
EXPECT HIGH PERFORMANCE®

OEM SOLUTIONS

We make OEM cabling projects *easier for you*

TPC is your single solution for the engineering, supply, and management of electrical wire, cable, and connector assemblies required to complete your projects on time and on budget. As a key partner in your domestic and international supply chain, we deliver industry-leading consultative services that drive innovation, create solutions, simplify inventory management, and save money.

Powering Customer Performance Worldwide

For nearly 40 years, TPC's highly-skilled team has collaborated with customers to optimize their operations through quality products and innovative thinking. Based in **Cleveland, Ohio**, TPC serves a global audience supported by **114,000 square feet** of warehouse inventory, a **25,000-square-foot** assembly shop, in-house **engineering and strategic supply** teams, and **200** domestic & international employees.

Our promise to OEMs

- Response from a knowledgeable associate within 24 hours
- Reliable, quality cable products built to your specifications
- Competitive pricing with volume discounts
- Efficient fulfillment and delivery of orders
- Personalized service including site visits and technical support

Benefits that streamline your efforts

- Rugged yet flexible, UL/CSA-approved products engineered to perform in harsh applications
- Custom engineering support for unique cable challenges
- Custom coloring and strand numbering to simplify installation
- Printing/labeling service to support brand awareness

Just In Time Inventory Programs

Our custom stocking and inventory programs ensure you'll receive the products you need and save you the burden of managing stock!

OEM SOLUTIONS FOR THE FOOD & BEVERAGE INDUSTRY

Quality Wire & Cable

Successful integration begins with a quality product that promises reliable performance — and delivers! TPC is a leading supplier of engineered wire, cable, connectors, and assemblies designed to perform in harsh industrial environments. Our **flexible cable products** support safety, efficiency, and scalability.

Connector Assemblies

TPC's deep expertise combined with a state-of-the-art design center provides you the complete cable-and-connector assemblies you demand. We source the connectors, and our **in-house, certified installers** terminate the assemblies using TPC's quality cable products. Assemblies are electrically tested prior to shipping.

Accessories

Quality tools and electrical components **support safety and increase the flex-life** of cable. TPC offers a range of cable accessories including ground straps, strain reliefs, heat shrink tubing, sleeving, insulating wraps, connectors & terminals, cable ties, and cable strippers to simplify installation.

Value-Added Services

TPC's in-house Engineered Products Team represents a valuable service intended to solve **unique challenges for individual customers** and projects. Custom cable construction, cable carriers, cable coloring, cable printing, and inventory management are just a few ways TPC goes beyond the expected to streamline your effort.

**How Can We Increase Your Throughput? Reduce End User Warranty Calls?
Minimize Your On-Site Inventory Footprint? Support Customization?**
