

Wire and Cable • Interconnect Devices • Cable Assemblies • Grounding Systems • Connectors • Cable Transits

A specialty supplier of high-quality electrical products and components manufactured to the highest standard for the harshest environments

- ISO 9001 and Controlled Goods Certified
- High-Level Engineering Expertise
- Environmentally Friendly Systems
- Products Meet Current Industry, Transit, Rail & Military Standards
- Custom Design and Manufacture
- Complete Turnkey Solutions
- Synergized Support Team
- Comprehensive Program Support for New Builds, Rebuilds and Repairs

Manufacturers

Bainbridge - Aquabaden

Dutchclamp

Freeport McMoran

Glenair

Hubbel, EMC

Intellisense Systems

i2 Systems

ITT Aerospace – Electrofilm

Lake Cables

LED Smart

Mettex

Milrail Assembly & Mfg.

Nehring

Nexans/Berk-Tek

Prysmian Group

Draka

General Cable

Prysmian

Relats

Roxtec / GK

SRS Goldschmidt

Stanley - Dubuis

T&B - ABB - PMA

TE Connectivity

Vossloh

Wiska

Product Lines

Military – Specific portfolio of products focused on technological innovation and uncompromising quality.

- Wire and Cable – Fiber & Copper
- Conduit Systems
- Electrical Connectors & Backshells
- Heat Shrinkable Products
- Weather Sensors
- EMI Gaskets & Seals
- Wire Identification & Labels
- Cable Penetrations & Transits
- EMI/EMC Shielding Systems
- Cable Assemblies
- LED Lighting
- Grounding Studs and Straps
- Electrical Boxes & Enclosures

Marine Offshore – Products have been tested to the highest standards for operation in the harshest environments.

- Wire and Cable
- LED and Shipboard Lighting
- Search Lights
- Connectors and Accessories
- Cable Tray & Strapping
- Heat Shrinkable Products
- Cable & Pipe Penetrations & Fire Stops
- EMP Cable Feed-Through
- Cable Glands & Junction Boxes
- Flexible Conduit
- Temporary Floor Protection

Rail and Transit – A complete portfolio of locomotive, maintenance, signal and communication products.

- Wire and Cable on Car
- Cable Assemblies
- Grounding Studs
- Cable Penetrations and Seals
- SRS Road/Rail Vehicles
- Rail Lubricators
- Track Drills and Tools
- LED Lighting
- Heat Tracing Cable & Pads
- Signal and Power Cable
- Fiber Optic Cable
- Signal and Track Connections
- Flexible Connections & Bus Bars
- OCS Wire & Tools & Grounding

Heavy Industry – Quality, high-performing products designed for the demanding challenges of this unique industry.

- Wire and Cable
- Adapters
- Backshells
- Connectors
- Flexible Conduit
- Expandable Sleeving
- Shielding and Grounding
- Cable Transits Sealing & Fire Stops
- Cable Protection Systems
- Ex LED Lighting
- Ex Cable Glands & Boxes

Assembly, Kitting & Manufacturing

Milrail can offer:

- Custom wire assemblies to customer's drawings and specifications
- Optimized Kitting of parts for ease of installation
- Box stuffing
- Connectorization of cables for quick, low cost installation "Plug & Play"
